

## **2012 FRA Limited AGM Open Discussion Notes**

Denis Wood gave his approval to the 2012 venue for the AGM, saying it was a great improvement, particularly access and parking-wise, over the 2011 venue. Noting that the 2013 AGM would need to be held earlier in the year because of Companies House filing the timing and venue for the meeting to encourage attendance.

Ron Rees asked if there were any plans to introduce a team prize in the English Championship MV60 and FV60 categories. Between the Chairman and the Statistician the response was that the matter was under review and that when the number of regular individual Championship contenders in those categories reached a position where the committee could conclude there was meaningful competition, the matter would be given due consideration. That time had certainly not yet arrived.

Mick Stenton raised the question of why, post-metrication, the hard copy Calendar could not contain both imperial and metric measures for distance and climb for all races. The outgoing (which was now at its limit in terms of binding technology), and noted that on the web-based Calendar had included simple conversion information to aid that task.

Norman Berry wanted to note that the FRA was excellent value for money with its low membership fee and wished also to record his thanks to all those on the committee and others who provided their time voluntarily to help run the sport and deliver its races.
