What data we will collect

In becoming a coach, official or volunteer, we will collect certain information about you which will include your name, date of birth, gender, URN number, email address, address, telephone number, names of affiliated clubs that you are a member of and details of any coaching or officiating qualifications and licenses you hold (Athletics Data). Where you are registered through an affiliated club, they will collect your details and pass them to us to be able to register you. We will also collect the full name, address and telephone numbers of two emergency contacts nominated by you. You may also choose to provide us with other information on your online user profile (MyAthletics).

Why we will collect it

We will collect and process your Athletics Data for the purposes of registering you and administering your involvement in the sport. We will process it on the basis of legitimate interest to ensure the sport is running itself efficiently, with the minimum of bureaucracy and volunteer time. Such activity will include managing eligibility, ensuring compliance with rules and regulations, maintaining the records and statistics for the sport, dealing with queries, conducting research into the health of athletics and running, communicating with you to ask for your opinion on the sport and providing relevant and necessary information via email, text, post to you about your involvement in the sport.

If you are a licensed coach or official in the sport we will process your data on the basis of legitimate interest in administering your qualification, disclosure and barring service checking, safeguarding and coach and official licenses. Without the data we collect you would not be able to complete the licensing process following achieving a coaching or officiating qualification. When you are registered with us we will create an online user profile (MyAthletics) which includes a section for your subscription preferences. We will only use your Athletics Data for the purposes of registering and administering your involvement in the sport unless you have opted in to any subscriptions for which we will gain additional consent from you.

How long we will keep it

We will retain your Athletics Data for such time as an individual achieved a coach or official qualification and for fifty years thereafter.

In addition, UK Athletics may pass your information to:

Our official sponsors, their associated companies and other carefully selected organisations who may use it (and pass it to other companies world-wide so that they may use it) now or in the future for profiling and to keep you informed (possibly by telephone, email or SMS) of their products and services and to compile market research information and statistics and to use it for any other aspect of their business.
