

FRA Senior Event Entry Requirements and Form, 2019

Entry to all events must be by a process which collects at least the following information and requires the runner to sign, or acknowledge electronically, that they accept the disclaimer. Additional information can be collected at Race Organiser's discretion. This form applies to senior runners (those over 18 on the day of the event).

Printable versions of the standard form are available on the FRA web-site. The Race Organiser may wish to tailor the attached forms to his/her race (for example to clarify the U/21 and U/23 age criteria).

Information

- Event name
- Minimum age for entry
- Full name, gender, club and date of birth of entrant. (Race Organisers may wish also to collect the age of the entrant and ask them to indicate their senior/veteran category from a list).
- Address (including postcode) and phone number of the entrant.
- The registration number of their vehicle
- An emergency contact name and phone number.

Age categories

Conventionally all age categories above 23 are defined as age on day of race.

FRA English Championship races define U/23 as age on 31/December of the year of the race. This is to provide continuity with the Junior age categories which also use age at end of year as the criterion. For races not in the Championship the Race Organiser may use 'age on day' for U/21 and U/23 runners at his/her discretion, but this should be made clear at registration to help runners complete the entry form.

Management of Personal Information

The race entry process collects personal information, and runners must consent to its use. Normal uses of this information are:-

- To link names and clubs to race numbers, competition categories and times,
- Communication with runners for example to give an update on the race organisation, advice on parking or some special requirement,
- Publishing race results, and sometimes pre-entry lists,
- Contact the runner after the event to progress issues, complaints or disputes.

Consent to using the runners' personal information in this way is given via the following disclaimer line:-

I consent to publication of my name, club, race category, race number, finishing time and race position in race pre-entry and results lists.

Race organisers may sometimes wish to use this personal information for other uses, such as:-

- To contact the runner in the future to advertise future events.
- To pass on to other parties, including sponsors and organisers of other races.

The standard disclaimer covers only the first 4 uses of personal information, and if the Race Organiser intends to use it for the last 2 purposes an additional consent statement is required (not included here).
