Comments:

The forecast rain stayed away, the sun shone and the evening was calm for the first event of the Dave Parry Lets Run Summer Fell race Series 2019, the early season chill set in for the prize giving though. The going was hard from months of little rain so the course suited those with some speed in their legs. It was the youngest runner who took the honours with Ben Bergstrand (18) of Middlesbrough AC who was off to a swift start and was never headed, his time of 36 minutes 22 seconds surpassed the previous record held by Chris Roberts by over two minutes, a super run from a rising running talent. Not to be out done Cath Williamson fresh from her victory at the Blakey Blitz three days earlier eclipsed Kay Neesams record from 2018 by just shy of two minutes with a time of 42 minutes 30 seconds.

In the team competition it was NYMAC at the double with victories for both mens and womens teams. In the womens competition it was Shelli Gordon who led home Kirsty Struthers and Diane Jobson. In the mens race Jack Hustwitt 5th overall, Jonathan Skidmore, Jon Parker and Kevin McLoughlin took the honours. 123 put their foot on the startline, a great showing in its third running for this now established season opener. After prizes the remaining £400plus will help fund the Cleveland Mountain Rescue Team, probably for around a week barring no calls outs. Thanks to CMRT who course marked, helped and marshalled, thanks to the other helpers on the night and well done to everyone who ran.
